Bespoke Villas so unique that they are individually designed by a team of renowned architects from India and abroad. These expansive boutique villas, spread over 500 to 1400 sq yards will be fully equipped with imported modular kitchen, designer ensembles, walk-in wardrobes, lap pool and your very personal elevator. Built to the latest in international trends they will also boast the latest in home automation technology and security system. What's more, beautiful landscape designs with water bodies surround your matchless abodes.

UNITECH
